Job Summary

Billys Lifeline are a newly registered charity. We have been in operation since November 2023. We support people affected by suicide, this can be anyone from close family members to an acquaintance, there is no time scale how long it has been since the persons loss.

Our primary focus is on establishing a secure and compassionate environment where individuals impacted by suicide can access immediate practical and emotional support. Our goal is to alleviate the stigma associated with suicide loss and actively promote mental well-being within our community.

We are here to support you practically, emotionally, and therapeutically through your journey.

We listen in confidence and understand that everyone's situation is unique but look to find what is important to the person and how we can best support them through our various services.

Essential skills, experience and qualifications

We want to hear from candidates who have a willingness to learn and take part in all required training. We want someone who can demonstrate a positive attitude and ability to take initiative.

Someone with effective communication skills and with lived experience although this is not essential.

Assessment skills, able to assess someone suffering from mental health problems and to report to senior staff who will risk assess

Effective IT skills

Good equality and diversity awareness

To implement policies and procedures

You need to be able to work independently and as part of a team and work in a professional manner at all times.
